REMARKS

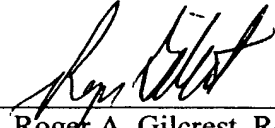

This Amendment addresses a correction in the inventorship of the patent application under 37 C.F.R. §1.48(a). (The Declaration and Powers of Attorney have not yet been filed in this application.)

This Amendment will delete the name of one of the named inventors. The question of proper inventorship arose during another review of the patent application. During this review, it was determined that the claims pending in this application properly fall under the inventorship of Giorgio Rizzoni, Yann Guezennec, and Ahmed Soliman. (Byungho Lee was determined not to be an inventor.) The undersigned hereby certifies that such error was made without deceptive intent.

Applicants respectfully request the approval of the Primary Examiner and the approval of the Commissioner to enter this Amendment to correct inventorship.

Respectfully submitted,

By: _____
